

Safety Roundtable

NOTES

July 12, 2017

10:00am – Panera Bread (Stapleton)

Topic: Open Discussion

Attendees: Christine Barnes, Perry Silvey, Kris Graham, Pedro Estrada, Kathy Fenwick, Kathy Freeman

A variety of topics were discussed starting with being able to incentivize your staff...

- Safety incentives-leading indicators, point system
- Getting people to commit
- Buy in from top personnel in the company
- App for observations on safety issues
- Reviews once a week then larger monthly meeting to bring awareness
- Scanner card for tracking for example with a QR code; Internal company usage
- Check and balance system for trainers to ensure quality of trainings
- Tag devices are a new way to track movement and procedures; works similarly to equipment tracking but for people;
- GCs and/or Owners are looking at safety programs more frequently
- More stringent regulations/registration guidelines for jobs
- Drug testing-insurance issues when screening regarding marijuana; looking for a happy medium
- How are companies developing policies around the drug screening process

Next Month's Meeting Date – August 9th, 10am; Topic: Keep Your Work Force Healthy: Marijuana, eCigarettes, Health of Employees and Impact on Safety
