What are the NUCA of Colorado Scholarships?

NUCA of Colorado will be offering scholarship money for the 2021-2022 school year. The scholarships are awarded to students attending or planning to attend a 4 year college, community college, or trade school.

Who may apply?

The scholarships will be awarded to students attending or planning to attend a 4 year college, community college, or trade school. Students do not need to be pursuing a career or degree in a construction related field. (Applicant must be affiliated with a NUCA of Colorado member in good standing with dues paid at time of application. Applicant's parent must be employed by the firm that is the actual NUCA of Colorado member. Out of area or branch offices of member firms are not eligible.)

How and when do I apply?

Complete the application in accordance with the instructions and Email it to the NUCA of Colorado office @ Christine.Barnes@nucacolorado.com . **All applications must be received in the NUCA of Colorado office not later than May 28th 2021 by 3:00pm.**

What must accompany the application?

The application **MUST** be returned along with a transcript of high school, college or trade school grades through the latest period and a letter of recommendation from a member of the high school, college or trade school faculty. That letter shall include the number of students in the graduating class and the applicant's standing in the class if applicable.

How will the application be judged?

The scholarship recipients will be selected by the Scholarship Committee based on the general worthiness of the application. The NUCA of Colorado Scholarship Committee will consider (1) scholastic standing, (2) ACT and/or SAT scores, (3) extracurricular activities, (4) career goals, (5) past employment, (6) essay and (7) thoroughness of the completed application. This is a merit based scholarship, it is not based on applicant's needs.

If selected as one of the scholarship recipients, you **MUST** attend the Annual Membership Meeting gala in December and be a part of our scholarship presentation.

How will the confidentiality of the application be protected?

When the application has been received by NUCA of Colorado each application is given a number and an acknowledgment is sent to the applicant. The application is handled only by the staff of the association. Once this has been done, the first page of the application will be placed in a sealed envelope marked only with the application number. Staff then reviews the application in detail and removes any and all words or references that provide information relating to the applicant's identity or affiliated NUCA of Colorado Member Company. The Scholarship Committee will meet at a predetermined time to review only sanitized copies of the application. Should any committee member recognize the applicant through the remaining information, that member will disqualify themselves from consideration of that application and the remaining committee members will make the determinations regarding that application. Only winning envelopes are opened and the others are destroyed.

How can I obtain further information?

If you have any questions or need clarification of any details, contact Christine Barnes, Executive Director at the NUCA of Colorado office by telephone at 970-376-1190 or via e-mail at christine.barnes@nucacolorado.com.
