**Warren Tech** – NUCA needs to take a more active role. Janet, Perry and Rob will setup a call with Christine to see what can be done to get more involved; they do not focus on construction, there was a time when it did but not any longer; 2016/2017 school year is first time back on the construction curriculum; Contact will come from Rob Willis; companies from our membership to take on apprentices; all tied in with Red Rocks so all kids are earning college credits; Construction program is located at the Arvada High School campus (66<sup>th</sup> & Wadsworth);

Next call October 11<sup>th</sup> 9:00am date change; attend in person at Panera or call in;
